Make *summer 2024* unforgettable!

SUMMER PROGRAMMES AT UNIVERSITY COLLEGE DUBLIN

UCD DUBLIN

University College Dublin
Ireland's Global University

Why not make summer 2024 an unforgettable one?

With a range of summer programmes at University College Dublin, let 2024 be the summer for adventure. Our programmes are tailored to fit your time and needs, ranging from 2 - 8 weeks long, and are offered in a variety of disciplines.

Taking part in a summer programme at University College Dublin means you'll not only see a new perspective in your discipline, but you will also be immersed in academic and cultural learning by visits to heritage sites, experiencing cultural performances, interacting with experts in their field, and being surrounded by all Ireland has to offer.

On our programmes, you will be housed in on-campus, state-of-the-art accommodation, with your own ensuite bedroom and shared kitchen and living room space.

Lab Summer School (Chemical Engineering)

The UCD School of Chemical & Bioprocess Engineering will run a 4-week Unit Operations and Bioprocess Lab Summer School in June on UCD's main Belfield campus in Dublin 4. Students will take part in group lab experiments and will visit a pharmaceutical plant to get a close-up view of bioprocessing and large molecule manufacturing.

PROGRAMME DATES

4 June - 28 June 2024

Application Deadline: **1 March 2024**

For questions contact: **eastudyabroad@ucd.ie**

Summer School in Organic Chemistry

This 8-week Summer School for US students is organised by UCD's School of Chemistry and provides all the necessary classes and labs for students that need to take Organic Chemistry as a prerequisite in their programme. Two contiguous modules (OChem1 and OChem2, 4 weeks each) will introduce students to the properties of organic molecules, their reactivity, methods of their preparation as well as applications in medicinal and materials chemistry. The weekly schedule contains 8 lectures, 2, workshops, 1 tutorial and 3 labs while providing ample opportunities to explore Dublin, Ireland and Europe.

PROGRAMME DATES

17 June - 9 August 2024

Application Deadline: **1 March 2024**

For questions contact: **marcus.baumann@ucd.ie**

Design, Data Science and Discovery Summer Program

The Design, Data Science and Discovery Summer Program incorporates cutting edge technology and research concepts in the dynamic fields of data science and design. The course covers key data science concepts and tools such as AI, machine learning and coding while introducing interpretive design and impactful information presentation.

PROGRAMME DATES

20 May - 14 Jun 2024

Application Deadline: **1 February 2024**

For questions contact: **discovery@ucd.ie**
